

2007 World Record Rocket Launch in Austin

Got a World Record ??

Well, here's your chance !!!

Your scouts can help us build and launch at least 2,010 model rockets all at once in an attempt to break the Guinness World Record

Launching at
**SHAC Jam on
Saturday, Oct 9, 2010**

**For More Information or to
Register your unit to participate!**

Send an email to: rocketry@shac.org

How do we get started?

- Register your unit ASAP
- Order World Record rocket kits
- Build rockets over the summer
- Impound all completed rockets in Sept
- Watch the launch at SHAC Jam!!
- Recovered rockets returned to the units by late October
