

Tall Timbers District • 2011 Webelos Woods • Troop Leaders Guide

This document has been put together to help you organize your troop and guests for a successful event.

REGISTRATION

Troops should bring their **Short Term Camping Rosters** and fee payments to the Dining Hall Annex between 8:00am and 9:00am on Saturday. The roster should include everyone (including Webelos and guests) who will be attending Webelos Woods. The rosters should note everyone whether they are camping or attending for the day. **Troop are responsible for all registration paperwork.**

MEDICAL FORMS

Medical forms for all Scouts, leaders and guests are the responsibility of the Troop. Should a guest need medical attention, we will review the camping rosters, then contact the host troop for the medical records, so it is important that this step not be overlooked.

MIDWAY

Attached you will find a map of the Midway layout. Your “booth” space is approximately 50ft x 50ft. Please build your midway gateways facing inward toward the midway walkway.

Based on your troop’s activity information you gave us on your event registration, we have arranged the troops to allow for optimum space.

Lunch

Lunch will be provided this year due to the fire ban. Please send 1 adult and 1 youth to the Dining Hall at 11:00 am to help with preparation and serving.

Due to the size, we will need to eat in 2 shifts.

We ask that all Webelos parents who are coming for the day to please park in the designated parking lots.
